

How do I participate?

We are your community

Researchers like you, who seek to create solutions to humanity's greatest challenges.

Innovators like you, who are looking for calls for proposals to make that brilliant idea known.

Entrepreneurs like you, who seek to help great ideas to take the first step and become a reality.

- Create your user account. Go to https://www.scienceconnexion.com/, click on the Register button and fill out the form.
- **Log** in, with your username and password.
- **Update** your profile. This helps you to find solvers and they can invite you to join their teams.
 - -> To learn more about how to update your profile, click here
- **Know** the open calls and sign up as a team leader.
- **Form a team:** Use the Talent Tank to search for colleagues and invite them to join your project:
 - Search by name/email using the "Quick Search".
 - "Smart Search", meet experts to complement your project through match algorithms.
 - Advanced Filters (Country, State, Campus, etc.)
 - -> To learn more about how to build your team with the Talent Tank click here.
- **Prepare** the solution proposal. With your team, work on the documentation according to the rules and dates defined in the call for proposals.
- **Send** your team's solution proposal to be considered by the Evaluation Committee.
 - -> To learn more about registering your solution proposal, click here.
